

## STAINLESS STEEL

### DEGREASING DETERGENTS

**Derkemp CH:** multi-purpose detergent.  
**Derkemp Mat G:** low foam detergent for spray washes.  
**Dermat 110:** non-caustic degreasing detergent

### PICKLING

**Metaldec liquid:** pickling by immersion.  
**Metaldec pasta:** weld remover.  
**Metaldec Gel - Gel P:** pickling gel for welding with different degrees of finishing.  
**Metaldec Inox P:** passivating agent for stainless steel.

### DEGREASERS

**Kempersolv 24:** odorless solvent. Specification AER-M-P-073 E (Type 2)  
**Kempersolv 42:** odorless solvent. Specification MIL PRF-680A (Type 1).  
**Kempersolv 60:** odorless solvent with controlled evaporation. Specification MIL PRF-680A (Type 2).  
**Kempersolv PM:** synthetic solvent free from hazard labeling.

### COOLANTS

**Lubrint Fe:** whole cutting oil.  
**Lubro Min:** mineral lubricant.  
**Lubro Sint LF:** high performance emulsifiable without mineral oil.  
**Lubro Semisint Q:** multi-functional semi-synthetic, even for hard water.  
**Lubro Cut:** oils for tapping, threading, various viscosities, both liquid and spray.

### FINISHING PRODUCTS

**Metaldec Acc:** brightening action polish for stainless steel.  
**Format Rapid:** non-residual ready to use detergent with high degreasing power for finishing cleaning.  
**Format Inox:** glossing product available both loose and spray.  
**D-OX 70:** acid detergent, degreases, brightens and makes surfaces uniform.

**Kempro Steel spray:** protective resin based on stainless steel  
**Format Glass:** brightening detergent, also in spray version.  
**Derkemp BRTT:** detergent for buratto.

### ANTI-ADHESIVE FOR WELDING

**Weld:** concentrate anti-adhesive for welding, soluble in water free of silicones and solvents.  
**Weld Spray:** aerosol version for anti-adhesive for welding, non-flammable.  
**Weld S Spray:** non-inflammable, non-harmful, silicone-free adhesive.  
**Weld Ceramic Spray:** high strength anti-adhesive for MIG / MAG welding torches.  
**Bisolfilm Spray:** anti-adhesive based on bisulphide for MIG / MAG welding torches.

### HANDWASH

**Nuvis:** liquid industrial handwash.  
**Nuvis Green:** gel for very heavy dirt.  
**Nuvis Pasta Bianca:** hand-washing paste with softening action.

### PLANT MAINTENANCE

**De Foam:** alkaline floor cleaner.  
**DE 30:** soda free detergent for floors and plants  
**Desorb:** series of products for dispersed absorption, available both in loose form and in tubular, pillows and handkerchiefs.
