

FORMAT SPRAY

Multi-purpose brightener spray detergent

FEATURES

Format Spray is a cleaner in a convenient spray bottle for cleaning all washable surfaces.

Format Spray in addition to the excellent cleaning power combines the perfect absence of halos and is therefore suitable for the treatment of mirrored surfaces such as glass, mirrors and steel.

Format Spray with its features allows to solve with a single product many cleaning problems in communities, hotels, kitchens.

Format Spray also finds interesting applications in the industrial field as a fast and substantial finishing detergent for many items before shipping.

Format Spray in its spray form ready to use is easy to apply, dries quickly without leaving streaks.

Format Spray once sprayed on the surface creates a soft foam that prevents leaking and product dispersions.

- Cleans very effectively all washable surfaces.
- remove greasy, and fingerprints.
- Easy to apply.
- It doesn't leave marks.
- It doesn't need to be rinsed.
