

Code K0034570 - Rev. Date: 25/10/2010 Rev.: 2 DOPF-2

## FORMAT RAPID

No-rinse scented detergent for all surfaces

### FEATURES

- It evaporates quickly without leaving stains, no rinsing is required
- It eliminates any type of dirt like dust, soot, ink marks, grease of mineral and animal origin
- It is ready to use, therefore application is easy and quick
- It cleans all washable surfaces quickly. The product leaves a pleasant scent after application
- The product can be used on different materials: steel, copper, brass, glass and plastic

FORMAT RAPID is particularly indicated for the following sectors:

- **Factories:** to quickly and deeply cleanse finished articles before packaging and shipping. Small but radical **degreasing** operations of tools, work surfaces, machinery and equipment.
- **Public centres and environments:** it allows carrying out some cleaning tasks successfully with a single product. The product is suitable for counters, canteen tables, chairs, desks, glasses, mirrors, stainless steel surfaces regardless of their degree of dirt and type of contamination.

### PHYSICAL – CHEMICAL DATA
